

Fees for Release Testing

(Issue 01/2014)

In accordance with Company Standard:

H 0685-3 (Issue February 2011 – Rev.02)

DEUTZ lubricating oil Quality Classes High-speed diesel engines, release conditions

A fee is to be paid for processing the release and for the right to use the DQC trademark in data sheets, on oil containers and product information:

First release (valid from 01.01.2014):

DQC I-02 / DQC II-10 / DQC II-10 LA:

- 1000 € plus VAT (original oil release and commercial package release)
- 750 € plus VAT (rebrand and reblend releases)

DQC III-10 / DQC III-10 LA:

- 2500 € plus VAT (original oil release and commercial package release)
- 2000 € plus VAT (reblend formulation)
- 1500 € plus VAT (rebrand)

DQC IV-10 / DQV IV-10 LA:

- 2500 € plus VAT (original oil release and commercial package release)
- 2000 € plus VAT (reblend formulation)
- 1500 € plus VAT (rebrand)

Notes:

These test fees are due also when:

- the product undergoes quality-relevant changes to the additive and basic oil formulation
- re-testing an engine oil that was deleted from the DEUTZ release list

A rebrand / reblend release is possible at the reduced fee only if the original oil has already been released.

Other fees (valid from 01.01.2014):

These test fees are due for:

- Extension of the DQC release,
- changes to the product name without any changes to the quality of the additive and basic oil formulation.

DQC I-02 / DQC II-10 / DQC II-10 LA:

- 1000 € plus VAT (original oil release and commercial package release)
- 750 € plus VAT (rebrand and reblend releases)

DQC III-10 / DQC III-10 LA:

- 2500 € plus VAT (original oil release and commercial package release)
- 2000 € plus VAT (reblend formulation)
- 1500 € plus VAT (rebrand)

DQC IV-10 / DQV IV-10 LA:

- 2500 € plus VAT (original oil release and commercial package release)
- 2000 € plus VAT (reblend formulation)
- 1500 € plus VAT (rebrand)
